

SACRED HEART HIGH SCHOOL

Accredited by Middle States Association of Colleges and Schools

July, 2017

Dear Parents or Guardians:

Smart Tuition and Sacred Heart High School has moved to paperless electronic billing. Your tuition and fee invoices will now be sent via email through Smart Tuition.

Please be sure we have your correct email address in our system so you receive your invoice! If you require paper, you will be able to reset your preferences for paper by logging onto www.smarttuition.com.

There are many benefits of paperless online billing: convenience, faster access to make payments, statements is protected, modern delivery and good for the earth.

Sacred Heart also suggests you sign up for **Auto Debit**. This will automatically withdraw your payment from your bank checking or savings account to ensure timely payments and avoid late fees.

We know you will appreciate the many benefits of paperless electronic billing. We are grateful for your participation.

Sincerely,

Maura Friend
Director of Tuition
