

Sacred Heart High School Transportation Information

New York City Residents

Students who are New York City residents are issued a NYC Metro Card which can be used only in N.Y.C. Students requiring this Metro Card must fill out an application and bring it with them when registering for Sacred Heart High School. This card does not work in Westchester, but NYC students will be able to purchase reduced rate Westchester Metro Cards in the Sacred Heart main office for travel in Westchester.

The #2 Yonkers Westchester Bee-Line bus starts at West 242 St. and stops on the corner of Park and Shonnard Place, which is just two short blocks from the school. The cost is \$2.75 each way paid either in coins or by a Westchester metro card.

There are other Bee-Line buses (such as the #25 and the #4) which connect from other areas to the #2 line. For more information check the Westchester Bee-Line website at www.beelinebus.westchestergov.com or call 914-813-7777.

Other Municipalities

Students who live in other Westchester municipalities, (such as White Plains, Mt. Vernon, etc.) should call their local school district for their transportation needs. In the event, their district does not provide service, a reduced rate student Westchester Bee-Line Metro Card may be purchased. Applications may be obtained in the main office.

A special Sacred Heart bus service runs from Riverdale (stops are at West 234 St. and West 260 St.) at a cost of \$90.00 per month. For more information call the main office, 914-965-3114, Extension 111.
